Attachment B : Admissions Policy for Deconcentration

KCDC will affirmatively market its housing to all eligible income groups. Lower income applicants will not be steered toward lower income developments and higher income applicants will not be steered toward higher income developments. Toward this end, KCDC will:

- A. Establish local preferences that promote deconcentration of poverty and income mixing, such as a preference for working families;
- B. Provide information and referral services that link residents to supportive services, such as child care, job training and placement programs, and case management;
- C. Establish ceiling rents at the same level as flat rents. This will insure residents that request a reduction in rent never have to pay more than the flat rent should they have an increase in income between annual reexaminations.
- D. Offer rent incentives, if deemed appropriate and financially feasible, for eligible families who will have the sole discretion in determining whether to accept the incentive. KCDC will not take any adverse action toward any eligible family for choosing not to accept an incentive and occupancy of a development.

Prior to the beginning of each fiscal year, KCDC will analyze the income levels of families residing in each of its developments and the income levels of the families on the waiting list. Based on this analysis, KCDC will determine marketing strategies for deconcentration.

Required Attachment C: Deconcentration And Income Mixing

In January 2007, KCDC contracted with an independent tester, as required by HUD for site-based waiting lists, to do a statistical analysis of resident characteristics information to ensure that applicants are not treated differently based upon their race or ethnicity, and that no patterns or practices of discrimination exist. Testing is underway.

Required Attachment G : Community Service Description of Implementation

KCDC resumed its community service requirement effective August 1, 2003 for new residents and for all other residents by October 31, 2003. Each adult household member, other than exempt individuals, must perform 8 hours each month of community service or participate in an economic self-sufficiency program or a combination of both.

All families were notified about the reinstatement of the community service requirement and were informed about the availability of KCDC staff to assist them in finding opportunities to meet the 8-hour requirement. It will be the responsibility of either heads of household or individual residents to notify KCDC staff of all nonexempt family members within their household. Also, it will be the responsibility of the resident to keep track on a participation form documenting the hours of service. The form must be turned in on a quarterly basis with the proper verification. Noncompliant families will receive written notification from KCDC that the lease will not be renewed at the end of the 12-month lease term unless the family complies with a written agreement to remedy the noncompliance.

Individuals declaring exemption must fall within one of the categories for exempt individuals as defined in Section 512 of the Public Housing Reform Act and 24 CFR Subpart F §960.601.

Required Attachment H :
Basic Information On Pet Policy

KCDC's pet policy details the requirements for a resident to keep a pet in public housing. A resident will not be permitted to keep a pet without proper written permission from KCDC. KCDC will not be responsible for the personal liability of any resident pet owner, household members, and/or guests. The pet owner will be responsible for their pet(s) at all times. Only common household pets are permitted. A \$50 pet fee and liability insurance will be required of pet owners in family developments.

The full pet policy is included as a supporting document in KCDC's PHA Plan.

Note: The full pet policy is included as a supporting document in accordance with Notice PIH 2000-43 (page 12 of Attachment A) which states: PHAs are not required to submit their full pet policy as part of the PHA Plan. Rather, the statement in the plan may be approximately one page in length, or shorter. The information about the pet policy must include basic information about the pet policy, including a list of any reasonable requirements on pet ownership that the PHA will adopt as part of its pet policy. PHAs are required, however, to make the full policy on pet ownership in public housing a supporting document to the PHA Plan.

☐ Other (explain):

B. Date of next term expiration of a governing board member: 07/25/2007

Name and title of appointing official(s) for governing board (indicate appointing official for the next position): Mayor William Haslam

Attachment J: RASS Follow-up Plan

Safety: Knoxville's Community Development Corporation (KCDC) works with its Security Patrol (made up of Knoxville Police Department (KPD) off-duty officers), and the Knoxville Tenant Council (KTC), which includes representatives from each resident association, to address problems with safety and crime in public housing developments. Security Patrol officers are represented at the monthly KTC meetings and resident association meetings. KTC members may bring up any problems or concerns they have in their respective developments and KCDC staff and/or the Security Patrol officers address those issues.

KCDC has a "One-Strike" and "No-Trespass" policy, which is strictly enforced, as well as a tough screening process for applicants. Also, the management staff at each KCDC property promptly reports crime to and works closely with local law enforcement.

Security cameras, funded by the Capital Fund Program, have been installed at each of KCDC's high-rises. The cameras enable the management staff to identify residents who allow unauthorized access to others or who engage in other acts detrimental to the safety of other residents. Also, KCDC staff monitors outdoor lighting and requests additional lighting or replacements as needed.

Neighborhood Appearance: KCDC uses Capital Fund Program (CFP) resources for physical improvements to the developments. All units have been demolished in the oldest section of Austin Homes, which is one of two developments on a contiguous site. This strategy was used to improve accessibility and make the newer section more marketable. Also, three developments are currently undergoing complete modernization/redesign, and KCDC is expanding its Strategic Investment Plan to include all development sites for means of improving appearance.

KCDC has abandoned vehicles towed from its properties; picks up trash on a daily basis at each family development, including the use of Mad-Vac trucks; and KCDC purchased a street sweeper to help improve the appearance of its properties. Also, KCDC has contracted with outside sources to cut tree limbs and/or remove dead trees.

Communication: KCDC has contracted for technical and professional services in the past to survey public housing residents (similar to the previous Resident Drug Elimination Survey). Results were used for planning safety issues. Also, phone numbers (on a magnet) are given to all households for maintenance repairs and Customer Relations issues. Additionally, development managers prepare newsletters and/or calendars with important events to keep residents informed, and the managers attend regularly scheduled Resident Association meetings at their respective sites.

Attachment K: Public Housing Agency Plan Provision for VAWA

Domestic Violence, Dating Violence, Sexual Assault, Stalking

Knoxville's Community Development Corporation (KCDC) has amended its Admissions and Continued Occupancy Policy (ACOP) to implement applicable provisions of the Violence Against Women and Department of Justice Reauthorization Act of 2005 (Public. Law 109-162) (VAWA). KCDC's ACOP is a supporting document to this Plan.

In addition:

A. The following activities, services, or programs are provided by KCDC, directly or in partnership with other service providers, to child and adult victims of domestic violence, dating violence, sexual assault or stalking.

KCDC's Resident Liaison Services staff refers victims of domestic violence to the Family Justice Center which houses several agencies that provide coordinated services to victims of domestic violence, dating violence, sexual assault or stalking. Staff collaborates and works with agencies as necessary.

B The following activities, services, or programs are provided by KCDC to help child and adult victims of domestic violence, dating violence, sexual assault, or stalking maintain housing.

Domestic Violence (current actual or threatened) by a member of the household to another member of the household gives the victim an admission preference for KCDC's premier elderly properties and conventional properties

C. The following activities, services, or programs are provided by KCDC to prevent domestic violence, dating violence, sexual assault and stalking, or to enhance victim safety in assisted families.

KCDC transfers residents who are victims of domestic violence to other KCDC properties if requested by the victim and with proper documentation.

Attachment L: Explanation of Off-Line Units for Modernization

Several units at two KCDC properties are off-line due to extensive work needed to get the units ready for re-occupancy. Instead of including the work items in the most recently submitted Capital Fund budget, KCDC is proposing to use operating funds to do the work with KCDC work force. Therefore, money was earmarked in KCDC's FY2008 Operating Budget to fund the modernization work. The two properties are listed below along with number of units, amount of operating subsidy to be used, a scope of work, and a timeline for the work.

<u>Properties</u>	<u>Estimated Modernization Cost Included in Operating Budget</u>

Attachment M - Explanation of Required Conversion/Cluster Candidate Report

On December 27, 2006, Knoxville's Community Development Corporation (KCDC) received notification by email from Mr. Ainars Rodins, Special Application Center (SAC) Director, concerning potential required conversion candidates in KCDC's housing stock. The determination that some clusters need to be considered for Required Conversion, as mentioned in the notification and in 24 CFR 972.124, is based on the following:

- The cluster contains 250, or more, units
- The units are not officially designated Elderly, Handicapped or Mixed
- The units are not under an approved HOPE VI Revitalization Plan
- The average occupancy rate over three years is less than 85%, or incomplete.

On January 23, 2007, KCDC staff contacted Patsy Stringer (KCDC's PIC Coach) at HUD's Memphis HUB concerning the units that potentially require conversion. In behalf of KCDC, Ms. Stringer contacted Ms. Tammy Gray, SAC Deputy Director, concerning the matter and advised KCDC that Ms. Gray needed an explanation of why KCDC feels the units are not potential candidates (also include it in 2007 PHA Plan) and a description that includes number of units in development, number of units modernization is finished, number of units still undergoing modernization, and identify type of funds being used – Capital Funds, Debt Service, etc.

It is KCDC's position that the developments identified by SAC, which are listed in the table below, are not subject to required conversion due to federal regulations (CFR 24 972.124(b), which state: "The development has a vacancy rate of at least a specified percent for dwelling units not in funded, on-schedule modernization, for each of the last three years, and the vacancy rate has not significantly decreased in those three years." All KCDC developments identified by SAC are undergoing modernization which is being funded by Capital Funds and/or Debt Service.
